

Director of Programs

Guide, Motivate, Develop, Deliver

We need an experienced and dynamic Social Work Practitioner as Director of Programs to direct and develop Hotham ASP's casework, housing, and client services programs with people seeking asylum. Our DOP will use their expertise to:

- Provide professional supervision for the Casework Team Leaders and Program Managers
- Guide and motivate Program staff
- Develop the scope and quality of Hotham ASPs' programs, and identify new opportunities for program development
- Ensure high quality program delivery and compliance with standards
- Develop and maintain stakeholder relationships
- Meet program reporting requirements
- Provide advice to the CEO on research and advocacy projects

This is a full time position for an experienced Social Work or Community Development Practitioner, located in North Melbourne. Knowledge of asylum seeker issues is essential; experience preferred. A competitive remuneration package, commensurate with experience is offered.
